

**POWER PACKS
PROJECT
MISSION:**

We empower families to stretch their grocery money, prepare low cost, nutritious meals for their families over the weekend and have their children fed well and ready to learn when they return to school.

NOTE: There is no cost to participate in this project. However, enrollment is required at the beginning of each school year to participate. Donegal students may enroll at anytime during the school year as we recognize family situations can change.

The Donegal School District is not sponsoring, offering, or endorsing this activity.
